CHILD PROTECTION AND PRIVACY

Volunteers play an important role in the education of children and young people in partnership with the staff of Catholic schools. Catholic schools must only engage volunteers who are appropriate, suitably skilled, trained and/or qualified to work with children and young people.

School / College is committed to providing the highest possible level of safety and care for students and staff, including volunteers. An integral aspect of this is to ensure that all adults who have access to children and young people during the course of school activities pose no threat to the emotional and physical wellbeing of students. Volunteers are required to complete 'Responding to Abuse and Neglect - Education & Care' training for volunteers. Our **School / College** also requires all volunteers to obtain and hold a valid and current Child-Related Employment Screening Clearance.

Upon receipt of an individual's Volunteer Application, the Principal or their delegate will forward relevant screening information to the Catholic Education Office for processing. All other information that relates to the privacy of individuals will be held at the **School / College** in a secure place and only accessed by the Principal or their delegate.
